We removed the following content you posted on Instagram because we received a notice from a third party that it infringes their copyright:

Photo: 'Once again, I am being harassed by illegal copyright take downs by Doug R. Roberts for me exposing the truth about him.

Make no mistake, this is against the law. I am in the process of seeking legal action against him for this.

In the mean time, you can check out the video on YouTube from my news page IHCT News called “Who is Doug R. Roberts? From fake cop to Las Vegas Cameraman “ until the video is back up here.

He tried to illegally take that video down as well but it was reversed when they found the truth. Please share with as many people as possible.' uploaded on May 5, 2025, 3:14 PM PDT
