ORDER DISMISSING CLAIM WITHOUT PREJUDICE

This claim was filed on October 12, 2026. On October 15, 2026, the Copyright Claims Board (Board) issued an Order of Intent to Dismiss for Unsuitability noting that the Board would dismiss the claim unless the claimant filed a response requesting the Board to reconsider its determination of unsuitability by November 16, 2026. The claimant did not file such a response. As a result, the Board dismisses this proceeding without prejudice for unsuitability. 17 U.S.C. § 1506(f)(3); 37 C.F.R. § 224.2(b)(1).
