

Copyright / Work-For-Hire Agreement

This is an agreement between Swamp Servers (the sole proprietorship of Jackson Cannon), and Connor McKelvey (the owner of GitHub account chev2 and email addresses chevc21003@gmail.com).

Connor McKelvey is authoring "cinema_swamp_v3 assets" in contribution to Swamp Servers' "cinema_swamp_v3" project. This project is to create a virtual world for an online game, so the assets may include images/textures, 3d models/geometry, computer code, and anything else used in the "cinema_swamp_v3" virtual world. Anything which was uploaded to the GitHub repository at <https://github.com/cannon/swampmap> by Connor McKelvey on his account chev2 during year 2019 or 2020 shall be considered "cinema_swamp_v3 assets" in this agreement.

Under this agreement, all "cinema_swamp_v3 assets" authored by Connor McKelvey shall be considered work made for hire under U.S. copyright law. The work is commissioned by Swamp Servers, so Swamp Servers shall own the copyright to all of this work.

In exchange for this work, Swamp Servers will pay \$300 USD to Connor McKelvey via a PayPal payment to chevc21003@gmail.com upon completion of this agreement. Swamp Servers will also pay an additional bonus of an undecided amount within 30 days after the "cinema_swamp_v3" project is completed.
