Hello ,

Thank you for your report of infringement. We reviewed your report and altered or removed the reported content based on the information that you provided. The detail page may not show the changes that were made for up to 24 hours.

ASIN: B0GWFQFFY6
Complaint ID: 21850234521

We have provided your email address and the additional information that you shared in your complaint to the reported sellers. You may be contacted by them to provide a retraction for this report. If no retraction or successful appeal is made, the original action will remain in place. The reported sellers will not be able to re-list on the reported ASINs. Retracting this complaint would allow the reported sellers to re-list on the reported ASINs.

To retract a complaint submitted from Brand Registry, use the "Retract a complaint" link in the Submission History:
https://brandregistry.amazon.com/brand/submission-history

To retract a complaint submitted from the Report Infringement Form, use the Retraction Form. You will need the complaint ID provided to submit a retraction.
https://www.amazon.com/report/infringement/retract

If you have other notices that you wish to submit, our team only investigates one type of infringement per submission and no more than 50 ASINs per submission.

As a rights owner, you may be interested to know that Amazon offers various tools and services that allow you to have more control over your brand. If you would like to learn more about these services, go to the Amazon Brand Registry page:
https://sell.amazon.com/brand-registry?ld=BRUSNFE

To help protect your brand on Amazon, you can access the following policy violation reporting tools:

For Brand Registry rights owners, submit violations through the Report a Violation tool:
https://brandregistry.amazon.com/brand/report-a-violation

For non-registered rights owners, submit violations using the Public Notice Form:
https://www.amazon.com/report/infringement/signin
