Hello. It is very late here, Martin...

Your question:

"Is it true that you and Siri Abraham jointly managed all aspects of UFE's social media content?"

No, I did not manage all aspects of UFE's social media content. In fact, I didn't manage UFE social media at all. I never had any access or logins to any of UFE's accounts. I only ever made graphics when asked. Never did I post anything on any UFE social media.

Hopefully my statement here satisfies you.
