Party Statement of Raymond Harper for case 24-CCB-0231

To Whom It May Concern,

My name is Raymond Harper. I have read Dominick Mattiello's written statement to the CCB and I fully support and agree with all of his statements. His son, Dominick Mattiello II, should not be involved in any of these matters.

I have also read Peter Chang's statements, which I believe are misleading and untrue only aimed to involve his son.

Dominick and I have collaborated closely in creating and selling wooden map art under the Etsy store names Travelbuffs and MapGala. Just Dominick and I without his son. In our partnership, I was responsible for hand-carving the wooden artworks, while Dominick created all the associated graphic elements necessary to finalize each piece.

As of January 2024, we have ceased all production and sales of map-related artworks because of Peter Chang's ongoing need to dominate with his ability to drag people into litigation because he feels he owns the idea of personalized map artworks and has now been able to gain registered copyrights on an artwork concept he himself has copied.

Thank you for your time and consideration.

Sincerely,

Raymond Harper
