RE: Dockets 24-CCB-0255/0258. Julia Parker vs. Denim Walters

Dear Copyright Claims Board,

I contacted an attorney to review my Written Direct Testimony. The attorney did not review it. He said that the cases cannot move forward without the two copyright infringing videos.

I did not know at the time of filing the claims that I was responsible for downloading and submitting the two copyright infringing Extensionofdenim YouTube Channel videos. I contacted YouTube for copies. YouTube states they do not have copies. The videos and Extensionofdenim Channel were removed from YouTube.

I was advised to respectfully request that the Copyright Claims Board dismiss both cases without prejudice so that I, the claimant, is allowed to refile the cases when Mr. Walters publishes the infringing videos in the future. I will install video downloading software so that I am able to download Mr. Walter's infringing videos and proceed with legal action.

Thank you for your time and consideration.

Kind regards,

Julia Parker
