Evidence List

The Copyright Claims Board (Board) has created this template that you may use to provide us with the title and description of each piece of evidence you are submitting. The Document ID should start with "A" and follow the alphabet. If you go beyond Document ID "Z," please label with double letters (e.g. "AA," "BB," etc.). Please be sure to upload your evidence list with your evidence documents. There is a button at the bottom of the second page to add additional pages to the form, if needed.
