The Respondents duplicated our sales pages by taking our exact pictures & descriptions from our website, added a watermark with their website name to our images, and sold our Price Guides on eBay as their own work. This is a screenshot of our copyrighted Price Guides from our store. https://updatedbeaniebabiespriceguide.sellfy.store/

We reported to eBay that the Respondents ***Best-Barn-Finds*** eBay store was selling our copyrighted Price Guides/Checklist. However, after some tough negotiations we had with the Respondents, stating we had the rights to our own Beanie Price Guides/Checklist, they were the ones who actually took them down.

This was their response to our feedback after they wouldn't pay our Paypal invoice that we sent them.

Before our meeting with the Copyright Board on 18 Aug 2025 - The Respondents "parked" their websites. We feel this was done because they did not want the Price Guide/Checklist links to be accessible. Both websites (***bestbarnfinds.com*** and ***beaniebay.com***) do not expire until 2026. They have only recently been made inactive, and we don't know if there are plans to make them live again.
