Nico Trinkhaus	*v.*	POLMEDIA, LLC
CLAIMANT		**RESPONDENT**

ORDER REGARDING DISCOVERY

The Copyright Claims Board held a status conference on November 6, 2026, which was attended by Claimant Nico Trinkhaus (Claimant) and Respondent POLMEDIA, LLC's (Respondent) authorized representative.

As the presiding Copyright Claims Officer stated at the status conference, the parties shall complete production of all remaining discovery by **November 30, 2026**. Discovery responses and documents should be sent to the opposing party and not filed with the Board.

If the parties have a discovery dispute, they must attempt to work the dispute out before bringing it to the Board's attention. If they cannot work out the dispute, they may file a request for a discovery conference that explains the dispute and the efforts made by the parties to resolve the dispute, and includes the disputed interrogatories and/or document requests. More information about discovery disputes is available at pages 9-10 of the **Discovery** chapter of the CCB Handbook. The deadline for either party to raise any dispute regarding the other party's discovery production is **December 7, 2026.** If no request for a discovery conference is filed by December 7, 2026, discovery will close on that date.

As discussed at the status conference, the Board will issue a separate order scheduling a settlement conference between the parties.
