ORDER REGARDING CLAIMANT'S REQUEST TO USE EVIDENCE NOT PREVIOUSLY SUBMITTED

On July 4, 20226, Claimant Ben Camacho Enterprises LLC ("Claimant") filed a Request to Use Evidence Not Previously Submitted (Dkts. 71 and 72) ("Request"). Eleven Public Affairs ("Respondent") did not submit a response to Claimant's Request on eCCB. For the reasons below, the Copyright Claims Board ("Board") finds that Claimant's request is moot.

Direct or response documentary evidence shall only include documents that were served on opposing parties pursuant to the scheduling order, absent leave from the Board, which shall be granted only for good cause. 37 CFR § 222.15(b)(1)(ii). In the Request, Claimant sought permission from the Board to submit two invoices (Invoices) as evidence not previously exchanged by the parties. In the Request, Claimant specified that it wished to include the Invoices in response to testimony and invoices provided by Respondent about its licensing practices. Although the Respondent did not file a formal response, in a response to Claimant's email, Respondent disagreed with Claimant's characterization of the Invoices and stated that "any questions regarding the invoice I will address directly with the Board."

The Board has reviewed Claimant's Request and has determined that the Invoices that Claimant wishes to submit are not relevant to the Board's analysis on damages. Therefore, the request is moot.

The parties may contact asktheboard@ccb.gov with any questions, including the docket number in the subject line. The Board is unable to provide legal advice. We can provide only legal information and assistance concerning Board procedures and requirements.
