Claimant,

v.

JMC POP UPS, LLC,

Respondent.

Docket Number: 22-CCB-0112

JOINT REQUEST TO STAY PENDING SETTLEMENT

Claimant Paramount Pictures Corporation and Respondent JMC Pop Ups, LLC jointly request that the Copyright Claims Board (“Board”) extend its Order of July 18, 2023, in which it granted the parties’ request to stay the proceeding, by an additional 30 days. This additional 30-day extension is being sought in good faith to facilitate ongoing settlement discussions between the parties that have been taking place since March 30, 2023. By granting this continuance of the stay, which includes discovery, the parties aim to prevent any unnecessary expenditure of resources on the part of both the Board and themselves and demonstrate their commitment to the settlement process and their genuine intention to engage in meaningful dialogue.
