My cell is 832-960-4587. Can you call me when you get a chance? I know you spend a lot of time on calls and in meetings. I am usually available and will make myself available to you to speak anytime this week. You call me at your earliest convenience. I don't want to be a bother, but I shouldn't procrastinate on this situation. Have a great day!

Hi! Let me start with, I am not a litigation attorney or an intellectual property attorney, which is the type of attorney who would know the validity of this type of threatened claim. I can try to help guide you to the type of person / pro Bono firm that maybe does this type of work if helpful though. Text me when you are free tomorrow and we can hop on the phone! 832-840-3999

2nd. I have a "situation" I would LOVE your insight on. I have been dealing with it for almost THREE years with Mary Oakes. I need some clear info. Bc police and attorney help lines say different things.
I will HIRE you if I had to to go against Mary Oakes for harassment. I'm not sure if I have a case. I'm a director of a nonprofit needing some assistance, so if you have time for me, I can send you a detailed email or call you. Doesn't have to be this week or next week. But soon. She should NOT be working with children nor should be scamming and harassing people.

My contact info (should you need it) is 832-960-4587 and my email Jamesonservices@gmail.com.

Thank you for your attention Dymond!

Thanks for reaching out. Please send me details via email and I will take a look and definitely get back
