Wendy Papula: Claimant

Celil Akgobek: Respondent

Position Statement

I Wendy Papula, assert that the respondent has infringed upon my intellectual property rights by utilizing my design without obtaining permission or license. The respondent's unauthorized use of the artwork in question constitutes a clear violation of copyright law.

Despite lacking any commercial, personal use or legal entitlement to the artwork, the respondent utilized it for their own potential financial gain, thereby disregarding my rights as the creator and owner of the design. The Respondents false DMCA Counter Notice was a blatant disregard for the principles of intellectual property.

I request statutory damages in the full amount allowed by Smaller Claims, in the sum of $5,000. This amount reflects the seriousness of copyright infringement, the time required fighting a false counter notice, and the need for deterrence against future violations of my intellectual property rights.
