I, Celil Akgobek, conducted a further search and contacted the Etsy Seller Help Center to obtain proof of my purchase regarding the design “Liberal Tears.” However, as the listing I purchased was deleted over a year ago, I cannot find it in my purchase history, and the Etsy Seller Help Center was unable to help me, though the support conversation is still ongoing as it takes days for them to respond.

The email screenshot I previously submitted on eCCB proves, without leaving any doubt, that this design was available for purchase on Etsy on 05/24/2023. The only reason I can provide that proof is that I tried to purchase it. Even though my purchase history is unable to show, I assert that I bought this design from a seller on Etsy, and that was the first time I came across the design.
