Dear Mr. Antsaar,

Good afternoon - I am contacting you in the wake of evidence that Mr. Saif Ibraheem submitted to the US Copyright Claims Board a few days ago on 13 October 2024, a copy of which is both attached to this message, and also viewable at the URL https://dockets.ccb.gov/document/download/10214

In plain terms, I would appreciate you confirming whether you authored this witness statement; if it was written by some other individual, I would appreciate knowing who that person was, and whether you had any opportunity to review and approve the statement before it was uploaded as evidence to the CCB.

Sincerely,

Martin McNeil
