Dear Martin McNeil,

I hope this message finds you well.

I am writing to clarify my position regarding the witness statement submitted to the CCB. I did not draft, approve, or review this statement before it was submitted. I want to make it clear that I do not consent to my involvement in this.

Additionally, I wish to formally state that I would like to withdraw from any further participation in this matter.

Thank you for your understanding.

Sincerely,
Gris Antsaar
