Dear Mr. Tarver –

Thank you for your time and courtesy this morning. This confirms that you are not currently represented by counsel (Kristen Beck's firm confirmed that they do not represent you or your company), and that you agreed to talk to me.

As I noted, we were just retained by ESafety Lights, LLC in the matter you filed at the US Copyright Claims Board regarding an image that you registered in 2020. As I told you, our client has agreed to the matter remaining before the Board (so it is not opting out). We have only just begun gathering facts in the matter. In the meantime, you also responded yes to my question about whether you are open to a discussion about settlement. As I noted, our client believed that he had the right to use the image and immediately ceased all use everywhere once he received your communication. So, this is not a case of willful infringement.

I've copied my partner, Angela Kalsi, on this email; she will also be working on this matter.

We will continue gathering facts and then we will be in touch to discuss next steps. In the meantime, if you engage counsel, please let us know so that we can talk to that person.

Regards,
Susan
