MilMie Designs is writing to formally retract our copyright infringement claim against Johnny Threads made on June 23, 2024. This retraction is in reference to the shop Johnny Threads for the Shake Shake Shake SENORA Shirt. Infringing material # 1749647929

Our initial claim was made in good faith, based on the substantial similarities between the designs. Our "Shake Shake Shake SENORA" design, created and published three years ago in 2021, has since become a best seller, leading to numerous imitations by various shops. However, upon closer inspection, we have determined that Johnny Threads' design uses a different font, distinguishing it from our original work.

We acknowledge that Johnny Threads has chosen not to file a counter notice in response to our claim. Therefore, we are retracting our copyright claim against Johnny Threads effective immediately.

We request that Johnny Threads' listing be restored as soon as possible. Once this is done, we will consider this matter closed.

Thank you for your attention to this matter.

Sincerely,

Heather Firca
