Dessert

Sexy Chocolate Cake Shake

If you dare, the finale to your meal will leave you screaming for more and needing a nap.
Picture this - a commemorative glass filled with an extra thick and creamy chocolate milkshake which is keeping a chocolate covered cherry safely hidden at the bottom.
Now let's talk cake. Your shake will be topped off with an entire slice of American Marshmallow Chocolate Chip Cake consisting of three layers of moist chocolate cake, two layers each of marshmallow creme and cookie dough. It is iced with delicious fudge frosting, chocolate cake crumbs, and more fluffy marshmallow topping.
